

I am appalled to learn that Sinclair Broadcasting is planning to force its stations to air an anti-Kerry documentary days before the election. This is clearly an attempt by Sinclair to use its corporate muscle to have an impact on the outcome of the election in flagrant contravention of its legal obligation to serve the public interest.

I urge the FCC to take action to stop this illegal practice.

Once again, we are seeing the dangers to our democracy of unfettered media consolidation. Media ownership rules need to be strengthened, not weakened. Thank you.
